

Sweet Futures Premier Brokering Services Soft Commodities Futures & Options

Sweet Futures offers a unique execution desk specializing in sophisticated option structures. Our premier brokering services offer a host of solutions to meet the needs of our clientele. Our objective is to provide more competitive market pricing and provide our clients with exceptional customer service. Sweet Futures is a neutral intermediary and as such never takes a proprietary position in the markets we cover. We work for buyers and sellers with no conflict of interest. Our relationship with our liquidity providers is long lasting and genuine. Because of these relationships, we create increased liquidity, enhanced price discovery and improved transparency, to the market place. We pride ourselves on being able to accommodate a wide range of clientele. Sweet Futures through its premier FCM relationships provides access to execution on all major US exchanges and world markets. At Sweet Futures, the customer comes first with services that are tailored to the clients specific trading needs.

Market Coverage Includes :

Coffee, Sugar, Cocoa, Cotton and FCOJ Futures and Options, CSO's, EFP's, EFS's

Our Relationships :

Producers, Mills, Commercial Banks, Consumer Companies, Pension Funds, CTAs
Hedge Funds, High Frequency Traders, Proprietary Traders, Market Makers

Why Sweet Futures :

Many firms claim they offer liquidity, price discovery, transparency and more competitive pricing. Our edge is that our individual brokers have the experience, knowledge and negotiating skills that actually give results. We understand these niche markets and we utilize our resources to achieve our objectives. Our objective is to provide our clientele with more competitive market pricing and exceptional customer service. © 2013
